CAPE TOWN'S ELITE ROOFTOP VENUE

Nasdak is a luxury rooftop venue in Cape Town's city centre with panoramic views of the Mother City's iconic skyline. Set at the top of Media24's landmark headquarters on the Foreshore, Nasdak comprises a series of flexible, inter-leading spaces that can be used in combination or separately. Each opens to breath taking views. From Table Mountain to Table Bay, and from the stadium to downtown Cape Town, Nasdak's incomparable setting is matched by the comfort and sleekness of its contemporary design. The indoor spaces include the Crous Bar and the Main Hall.
